To the attention of Alexander Martin - CEO

January 23th 2017

From: ERG

Letter of Recommendation

CTE WIND Civil Engineering, 33 rue du Haut Chemin, 35780, France.

To whom it may concern,

CTE WIND Civil Engineering has been selected for the "Design Review Category-III Check" mission of our first Wind Farm in Northern Ireland "**Brockaghboy – 47.5MW**". All documents presented complied with the applicable regulations and standards and were submitted in due time.

We hereby would like to recommend the company CTE WIND Civil Engineering, with which we have enjoyed a successful and highly satisfactory work relationship, in terms of both efficiency and professionalism.

Should a new project be launched, CTE WIND Civil Engineering is one of our first valuable and reliable partner.

For and on behalf of ERG

Emanuele Alberoni
