Dear Sir or Madam,

CTE WIND Civil Engineering has been selected for the foundation design for the wind-turbine project Les Gourlus in France. All documents presented complied with the applicable regulations and standards and were submitted in due time.

We hereby would like to recommend the company CTE WIND Civil Engineering, with which we have enjoyed a successful and highly satisfactory work relationship, in terms of both efficiency and professionalism.

Should a new project be launched, CTE WIND Civil Engineering is inevitably our first valuable and reliable partner.

Sincerely yours,

Siemens Wind Power Management GmbH

acting on behalf of
Siemens Wind Power GmbH & Co. KG

Dr. Orlando Wagner
Head of Engineering Onshore EMEA
